# Baby Safety Checklist Newborn - 6 Months

## Sleeping

O Put your baby to sleep on her back, even for naps.

O Don't let your baby sleep on soft surfaces, such as pillows, fluffy comforters, sheepskins or water beds.

O Do not use crib bumpers or drop-side cribs.

• Always remove toys from the crib when your baby is sleeping.

• When your baby is able to sit up, change the crib mattress to its lowest position.

#### Bathing

• Always support your baby with a hand.

• Never leave your baby in the bathtub unattended, even for a few seconds. Do not answer or talk on the phone while your baby is in water.

O Use warm, not hot, water. Test on your wrist. The water should feel just slightly warm.

O Water in the tub should be just enough to cover your baby's legs—no deeper than 2 inches of water.

## Changing table

O Don't leave your baby unsupervised.

O Keep toiletries out of your baby's reach.

#### Toys

O Should not have strings or cords longer than 12 inches.

O Should not have small pieces, such as buttons, eyes or cords that your baby could pull off and choke on.

• Shouldn't be heavy enough to hurt if it falls on your baby.

Talk to your pediatrician about recommendations or concerns.

Doctor's contact information:

A newborn completely depends on you to be safe. Use this checklist to be sure your infant is free from harm.

#### Clothing

O Don't dress your baby in clothes with drawstrings.

#### **Preventing falls**

O Don't leave your baby alone on sofas, beds or in a high chair.

• When shopping, use the safety belt on the cart.

## **Preventing burns**

- O Don't hold your baby and hot food or drink at the same time.
- O Don't carry your baby while cooking at the stove.

# Fire and carbon monoxide

• Test smoke detectors monthly.

O Install carbon monoxide detectors in your home. Test your CO detector every six months.

O Plan fire escape routes for all family members.

# Sun

O Keep your baby out of the sun as much as possible.

O Protect your baby's skin with hats and long-sleeved clothing.

O When your baby is old enough, use a gentle sunscreen with at least 15 SPF.

# In the Car

O Install a car seat properly, in the rear-facing position in the middle of backseat.

O Keep children in rear-facing seat until age 2, or until they reach the maximum height and weight for their seat.
