Crazy Fun Facts

Did you know...?

In some parts of the world, spider webs are used as Christmas decorations!

In Ukrainian folklore, there is a story about an old woman who was too poor to afford any decorations for her Christmas tree. In the night, spiders came and covered her tree in webs, which magically turned to silver and gold in the morning! This is how the tinsel decoration became popular. Many families in the Ukraine still decorate their trees with webs and spiders!

What Christmas traditions are unique to you and your family?
How did those traditions get started?
