

Name: _____

Date: _____

A **quarter** is equal to **twenty-five cents** or **25¢**.

1 quarter
25¢

2 dimes + 1 nickel
25¢

Challenge: Ask if you can count the change in your mom's purse or in your piggy bank. What is the total value of your coins?

Add to find the value of the coins in each purse.
Color the purse if the value of the coins equals 25¢.
