

Collecting Strong Evidence

Title of Text: _____

Author: _____

Claim:

Evidence

How does this Support Your Claim?

Example Claim: In Gary Soto's story "The Marble Champ," he wants the reader to learn that determination and hard work help people achieve their goals.

After only two weeks, Lupe became a champ at playing marbles because she practiced every day and did not give up, even when she was tired.

"... she realized that she had only two weeks to practice." This shows the reader that this story took place in two weeks.
