

It's Raining, It's Pouring

The rain can be fun, but make sure you have an umbrella!
Color the raindrops with the number 18.

A large rounded rectangle with a black border containing several raindrops. Each raindrop is a simple outline with a number inside. The numbers are: 12, 18, 8, 5, 15, 18, 10, 3, 17, 18, 0, 9, 18. There are 13 raindrops in total.

How many raindrops with the number 18 did you find?
