

# Coloring Subtraction

Find the answer to each problem, then use the numbers to color the picture.

$8 - 3 = \underline{\quad}$  blue       $9 - 5 = \underline{\quad}$  purple

$6 - 5 = \underline{\quad}$  brown       $7 - 1 = \underline{\quad}$  yellow

$3 - 3 = \underline{\quad}$  red       $8 - 6 = \underline{\quad}$  orange
