They say that April \_\_\_\_\_owers  
bring May flowers, and that  
saying rings true as this year's  
\_\_\_\_\_ring readies itself for  
another beautiful time! Tulips,  
lilies, and daffodils start  
sprouting, their \_\_\_\_\_een grassy  
stalks and leaves growing under  
the \_\_\_\_\_ight sunlight. When  
flowers \_\_\_\_\_oom, that's when  
baby animals bounce to life.  
Spring is always the best of  
times, filled with \_\_\_\_\_owers  
and new life all around.
