Cootie Catcher Instructions
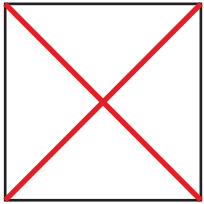

Step 1: First, cut out the square. Keep the paper with the printed side facing down. Fold on the diagonals as shown and unfold.
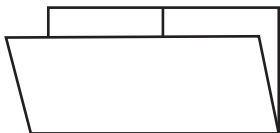

Step 2: Fold down each corner to the center point.

Step 3: Next, flip over the square.

Step 4: Again fold down each corner to the center point.

Step 5: Fold the square in half and unfold. Repeat on the other half and unfold.

Step 6: Work your fingers into the pockets of paper in each of the four corners to adjust your cootie catcher until it's ready for play.
