

# Crowded Campground: Counting Campers

This campsite is crowded! How many campers are there? Each camper needs four items: rainboots, logs, a flash light, and a tent. Group these four items together to find out how many campers are in the camp.

A large green-bordered area containing various camping items. There are 10 tents, 10 flashlights, 10 rainboots, and 10 stacks of logs. The items are scattered across the area. In the bottom right corner, there is a large green circle containing the word "Answer".
