

Tally Marks

Tally marks are used to keep count of something. They are drawn in groups of 5.

Count the fruit. Use tally marks to keep track of your count. Write the number the tally marks represent.

1. Count the bananas.

 		8
-----------------	--	---
2. Count the apples.

--	--	--
3. Count the oranges.

--	--	--
4. Count the oranges and bananas.

--	--	--
5. Count the apples and oranges.

--	--	--
6. Count all the fruit.
