are there? \_\_\_\_\_

How many bunches of green  
beans are there? \_\_\_\_\_

How many eggplants  
are there? \_\_\_\_\_

How many cucumbers  
are there? \_\_\_\_\_

How many hot peppers  
are there? \_\_\_\_\_

How many ears of corn  
are there? \_\_\_\_\_

**Describe your garden. Circle the correct choices based on your answers above.**

My garden has a lot of vegetables. It has mostly (cucumbers , tomatoes).

There are two kinds of (corn , peppers). My vegetable garden has (10 , 12)  
green vegetables. It has more (eggplant , cucumbers) than (green beans ,  
lettuce). My vegetables are delicious!
