

Preschool Math

1 silly crocodile loved to smile. Then, 2 more crocodiles came for a while. How many silly crocodiles do you see that smile?

$$\begin{array}{c} \text{sad crocodile} \\ \text{smiling crocodile} \end{array} + \begin{array}{c} \text{sad crocodile} \\ \text{smiling crocodile} \end{array} = \underline{\hspace{2cm}} ?$$

$$1 + 2 = \underline{\hspace{2cm}} ?$$
