

Cursed Creative Writing

Lots of people around the world seek witches and medicine men to break curses and spells they believe to have. Look at the list below to see if you've been cursed.

Use the empty spaces to create your own.

You may have a spell on you if:

1. your hair is growing at an alarming rate.
2. your voice is changing into an animal sound.
3. the wings on your back are bigger than yesterday.
4. the only word you can say is "rib-bit".
5. you're madly in love.

6. _____

7. _____

8. _____

9. _____

10. _____

Imagine you had a spell on you that turned you into an animal. How would the spell be broken?
How do you live with the spell? Be descriptive and creative!
