

## Fine Motor Skills Development

Practice drawing curved lines by tracing on the dotted lines to match the shape to the objects.

This section contains three rows of tracing practice. Each row consists of a solid shape on the left, a dashed curved line with a directional arrow in the middle, and a corresponding object on the right. The first row features a red circle, a dashed curved line, and a baseball. The second row features a green triangle, a dashed curved line, and a slice of pizza. The third row features a blue semi-circle, a dashed curved line, and a slice of watermelon.
