

Make a Valentine's Day Card!

1. Color in the shapes and words.

2. Cut them out.

3. Get another piece of paper (construction paper works great!) and fold in half to make a blank card.

4. Glue the shapes you've colored and cut in your own design on the blank card.

5. Write a special message inside and share with your friends and family!

Happy Valentine's
Day!

I love you!
