Descriptive Writing: Picture Prompt #3

Imagine that the picture shows the first scene in a story. Write a paragraph describing the scene. Be sure to use sensory words, including nouns, adjectives, and adverbs, to make the scene come to life. Here are some questions to guide you:

- Who or what do you see in the picture, and what are they doing?
- When and where is this scene taking place?
- How did the subjects of the picture come to be here?

Write your response on the lines.
