

# Different Types of Jobs

tour guide

Many different people in your community work to provide goods and services to others. Goods are things that are made and sold, while services are jobs people do for others. Jobs can take many different forms, and each one serves the community in different ways.

**Directions:** In each of the boxes below, draw a picture of a person working. Write the name of each job. Then write a sentence describing what the worker does.

scientist

<p><b>Example</b></p>  <p><b>Job:</b> <u>chef</u></p> <p><b>Description:</b> <u>A chef prepares dishes for other people to enjoy.</u></p>	<p><b>Job:</b> _____</p> <p><b>Description:</b> _____</p>
<p><b>Job:</b> _____</p> <p><b>Description:</b> _____</p>	<p><b>Job:</b> _____</p> <p><b>Description:</b> _____</p>
