

Let's Double These Valentine Numbers

In math, doubling is a process of adding a number to itself. Here are some numbers below. Let's double them and write the answers inside these Valentine hearts.

multiplication
facts

When you multiply a number by 2
simply double the number to find
the answer!

$$3 + 3 = 6 \text{ and } 3 \times 2 = 6$$

$4 + 4 =$ 

$5 + 5 =$ 

$8 + 8 =$ 

$9 + 9 =$ 

$2 + 2 =$ 

$6 + 6 =$ 

$7 + 7 =$ 

$3 + 3 =$ 

$4 + 4 =$ 

$10 + 10 =$
