

Draw & Add $+$ $+$ $+$

Read the questions below and draw the pictures. Then count your pictures to find the answer.

Jill has 5 buttons and Becky has 4 buttons. How many buttons are there in total?

Diagram for Jill and Becky's buttons:

A light blue box contains 5 buttons (circles with a dot in the center). Below it is a rounded orange box containing the number 5. To the right of this box is a plus sign (+) in a circle. To the right of the plus sign is another empty light blue box. Below it is an empty rounded orange box. To the right of this box is an equals sign (=) in a circle. To the right of the equals sign is an empty light green box. Below it is an empty rounded orange box.

Rich has 3 puppets and Kate has 6 puppets. How many puppets are there in total?

Diagram for Rich and Kate's puppets:

Two empty light blue boxes are shown. Below the first is an empty rounded orange box. To the right of the first box is a plus sign (+) in a circle. To the right of the plus sign is another empty light blue box. Below it is an empty rounded orange box. To the right of this box is an equals sign (=) in a circle. To the right of the equals sign is an empty light green box. Below it is an empty rounded orange box.

Pedro has 2 frogs and Kim has 6 frogs. How many frogs are there in total?

Diagram for Pedro and Kim's frogs:

Two empty light blue boxes are shown. Below the first is an empty rounded orange box. To the right of the first box is a plus sign (+) in a circle. To the right of the plus sign is another empty light blue box. Below it is an empty rounded orange box. To the right of this box is an equals sign (=) in a circle. To the right of the equals sign is an empty light green box. Below it is an empty rounded orange box.
