### To parents

Write your child's name and the date in the boxes above. Line drawing exercises help your child to develop basic pencil-control skills. Have your child draw lines carefully. When your child completes each exercise, praise him or her.

- Draw a line from top to bottom connecting the two pictures.

The image shows a large blue rectangular area containing four vertical white strips. Each strip has a cartoon animal at the top and bottom, with a dashed vertical line and a downward arrow between them. The animals are a moose, a panda, a pig, and a tiger.
