

Name _____

Date _____

Earth Guardians

There are many people (including young people!) who are working to reverse the effects of climate change. Research Earth Guardians and write a proposal on what you can do to help reverse the impacts of climate change below.

Directions:

1. Go to the website: <https://www.earthguardians.org/>
2. Explore the website for 5-10 minutes on your own.
3. Answer the questions below.

What are Earth Guardians' goals to preserve the planet?

How did Earth Guardians come to be?

What can you do to get involved, if interested?

(Check out "Resources" link)

What are some ideas you have to reverse climate change in your community?

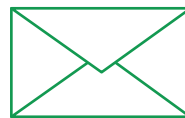

- _____

- _____

- _____

Commit to one of the ideas above and share with your family your plan for spreading love for the planet. Let your family know how they can support your plan and participate in caring for our planet.

****BONUS****

Write and mail a letter to a city or state representative to share your ideas on how to support reversing the effects of climate change.
