

Create Your Own Jelly Bean Garland

You Will Need:

Card stock (or any thick paper)
Scissors
Hole puncher
Tape or glue
Photos of people or things you love
Thin ribbon or string

Directions:

Cut out the jelly beans on the dotted lines.
Color and decorate the jelly beans.
Carefully cut out the large circle dotted line holes.
Cut your photos to fit the large circle.
Paste the photos to the back of the jelly beans.
Use a hole puncher to punch holes on the Xs.
Strand the jelly beans through the small holes.

Tip:
Print out more pages to make your garland longer.
