

Unscramble the words inside the easter eggs. Then write the letter corresponding to the numbers in the blank spaces to discover the answer to the question below.

When is Easter Celebrated ?

The illustration shows a garden scene with several Easter eggs, flowers, and butterflies. The eggs contain scrambled words and numbers for a puzzle. The numbers 1 through 6 are placed above the eggs, corresponding to the letters in the words "Easter".

1 2 3 4 5 6

gseg lupit kichc nubny

6 1 2 3 4 5
