## Editing Stew

Let's make a stew! The first step is getting the ingredients. Everything you need for the stew is written in the bubbles below, along with the days of the week you'll buy them on.

Decide which day you'll buy each ingredient. Fill in the sentences below to make a plan.

But pay attention, some of the words aren't written correctly! When you write your sentences, be sure to use correct capitalization.

I will buy the \_\_\_\_\_ on \_\_\_\_\_.
