

More or Less?

Look at the electronics in each box, and circle the group that has more.

 <p>A group of five electronic devices: three silver MP3 players with blue bar graphs on their screens and two blue mobile phones.</p>	 <p>A group of seven electronic devices: three blue laptops and four grey printers with yellow paper coming out.</p>
 <p>A group of nine electronic devices: five blue calculators with digital displays showing '1234567' and four white digital cameras with blue accents.</p>	 <p>A group of six electronic devices: two green handheld gaming consoles with blue pens and four blue desktop computer monitors on stands.</p>
