

# Exclamations

Exclamations, or exclamatory sentences, are sentences that show excitement or strong feelings.

What a great story!

Read the story below. There are 5 exclamation points missing. Write exclamation points at the end of each exclamation.

I love visiting the dinosaur park. There were so many huge dinosaurs. Boo hoo. My little brother cried. He was scared of the tyrannosaurus rex's scream. Roar. We were excited to meet Doctor Dino, a tour guide. He was so funny. He taught us about some foods dinosaurs ate. Wow. We had so much fun learning that day.

Write an exclamatory sentence about a time you were scared.
