

Make Your Own Envelopes!

BACK

It's easy and fun to make your own envelopes
for invitations or greeting cards.

This envelope is the perfect size for a card made from
8.5 x 11" paper folded into quarters.

What you need:

- Paper
- Scissors
- Glue stick

Instructions:

- Print and cut out template. (Can be used over again.)
- Trace onto paper, and cut out.
- Fold at dotted lines. Fold sides first.
- Glue sides to back.
