

Name: _____

Date: _____

F is for Firefighter

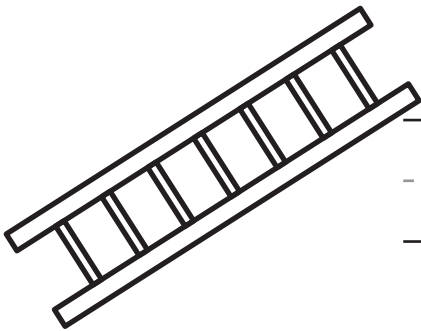

Firefighters have a very dangerous job! Firefighters rescue people in danger and put out fires, but they also teach us about fire prevention and how to stay safe.

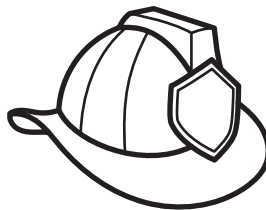

Directions: Color in all of the objects that a firefighter uses in the line of duty. Then label each one with the correct name using the word bank at the bottom of the page.

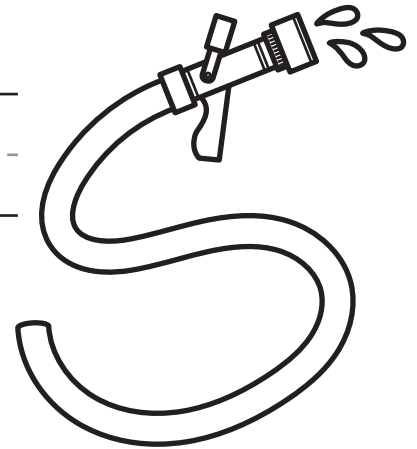

helmet

fire-proof suit

hose

ladder

hook

boots
