FANTASY GENRE DISCUSSION CARDS

Fantasy is a type of fiction that is completely made-up and has elements that do not exist in the real world.

DIRECTIONS: Use the following cards to discuss your fantasy story.

Describe the main character. What powers does he or she have?

Describe the main character's problem. Is this a real life problem? Why or why not?

Is the main character someone you could meet in real life? Why or why not?

What is the setting of the story? How is it realistic? How is it unrealistic?

Explain a major event in the story that could never happen in real life.

What elements of magic are present in the story?

Describe the protagonist (the good guy) in the story.

Describe the antagonist (the bad guy) in the story.
