# FARMERS MARKET MAP

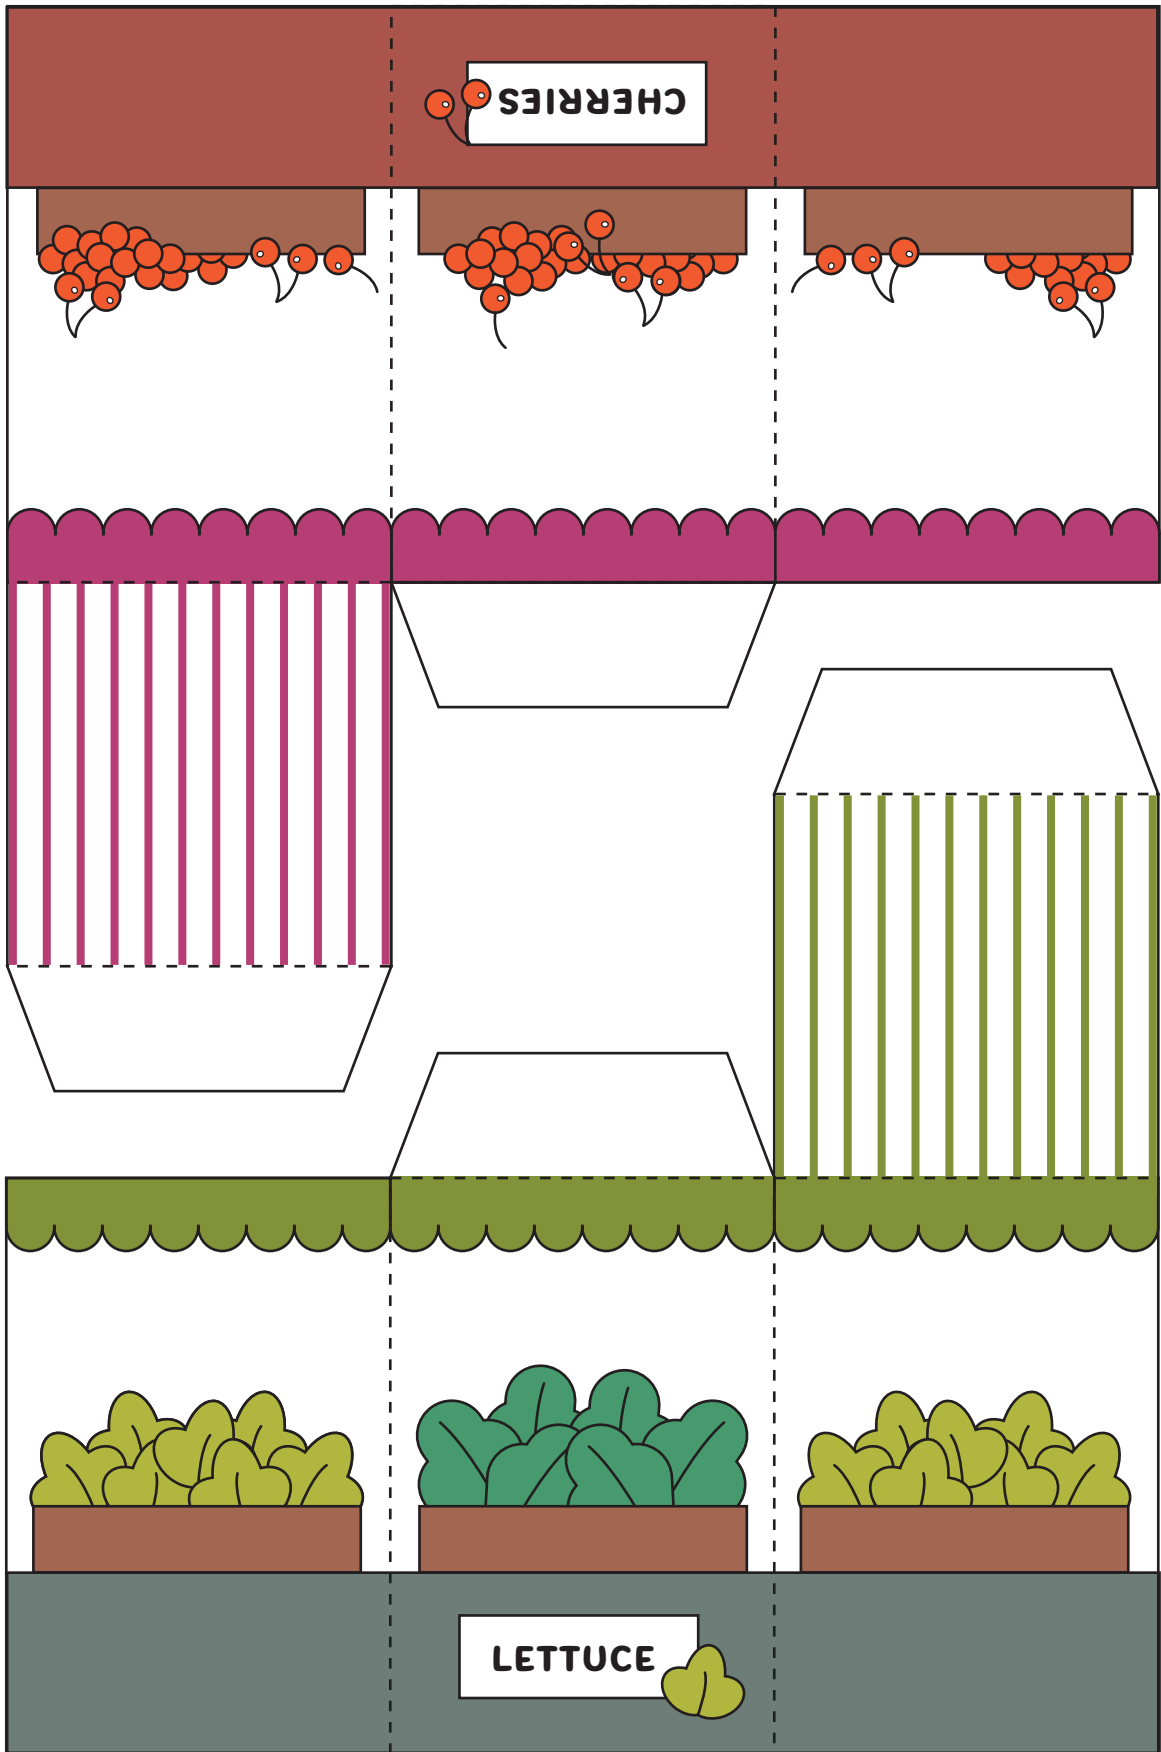

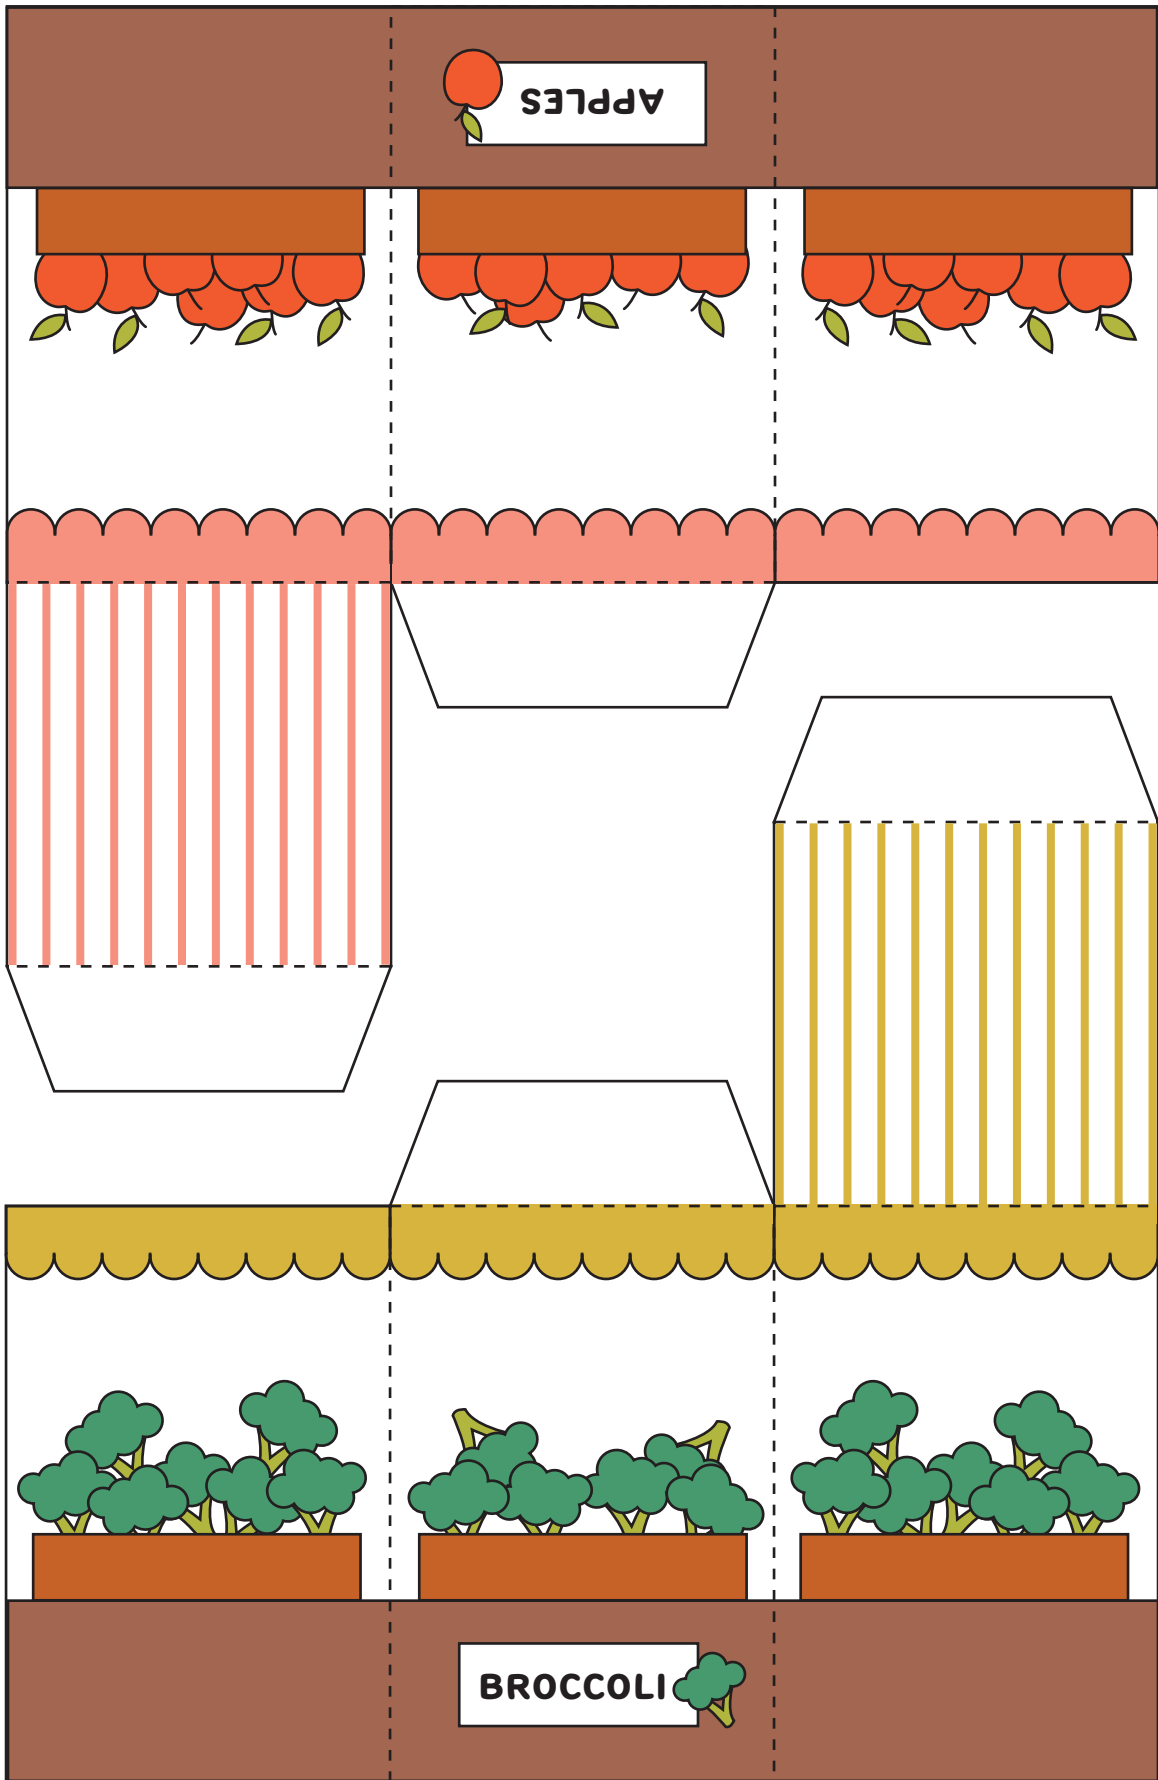

The farmers market has closed down the street for the day.

Follow these steps to make your own market!

1. Cut out the market stands and fold them at the dashed lines.
2. Use glue to keep the tabs secure. There will be one open side.
3. Use the following hints to put the stands in the right place on the street:
  - The carrot stand is across from the apple stand.
  - The lettuce stand is across from the cherry stand.
  - The broccoli stand is next to the lettuce stand.
  - The apple stand is next to the broccoli stand.
