Five Candy Bars Race Board

Directions: Pass out one board to each player. Have players take turns rolling two dice as they race to get to a sum (e.g., $3 + 6$) of five candy bars, or five ten rods. Use this board to record your totals and to change between place values with base-ten blocks as players race to get to 50.

Candy Bars (Tens)	Sprinkles (Ones)
	

Dice Rolls:
