

# Get Ready for Video Calls

**Step 1: Find a place to set up.**

**Step 2: Gather materials.**

**Step 3: Make sure the camera can see your face.**

- Sit up straight.
- Use a pillow to boost yourself up if needed.

**Step 4: Stay focused.**

- Keep your eyes on the speaker.
- One person talks at a time.
- Keep yourself muted unless you are talking.

**Step 5: Have fun!**

**Draw a picture of yourself on a video call below.**
