

GLOSSARY FOR EL SUPPORT LESSON PLAN:

USING THE 5 W'S

Word	Definition	Visual	
bear	A bear is a mammal that has a large body, heavy fur, short hands and feet, and a small tail.		
woods	The woods are closely packed trees that make a forest.		
nest	A nest is made of twigs, grass, or mud, and is created by a bird as a place to put eggs and raise babies.		
bird	A bird is a warm-blooded creature that lays eggs and has feathers, wings, and a beak. Most birds can fly.
