

What's My Number?

Follow the clues below to figure out the number.
Use the number grid to help you along the way.
Cross out any numbers the clues eliminate.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

1. The first digit in my number is larger than the second digit.
2. My first digit is divisible by 2 or 3.
3. My second digit is greater than 1.
4. My digits add up to a number less than 13.
5. My second digit is also divisible by 2 or 3.
6. If you add my two digits together and multiply the sum by 2, my number is between 18 and 24.
7. My number is the median of the numbers that are left.
