CREATIVE WRITING

Haiku is a Japanese style of poetry that consists of three main components, although they are not necessarily required:

- Haiku has three lines, with the syllable pattern 5 7 5.
- Haiku poems are usually about a contrast between two items.
- Most haiku poems have a seasonal reference.

* Write a haiku about two random objects on your desk.
* Write a haiku about two pieces of clothing you are wearing today.
* Write a haiku about two pieces of clothing you are wearing today.
