

# Halloween Costume Caper Logic Problem

It's Halloween night, and five friends are dressed up to go trick-or-treating.

Use the clues and the grid to find out which costume Alexander, Devon, James, Kim, and Benny are wearing.

**Clue 1:** The person dressed as a firefighter has the longest name.

**Clue 2:** James's costume does not represent a career.

**Clue 3:** Kim chose her costume because when she grows up, she wants to save lives.

**Clue 4:** Since kindergarten, Devon has always dressed up as an animal.

## Halloween Costume

		lion	firefighter	doctor	mummy	pilot
Trick-or-Treater	Alexander					
	Devon					
	James					
	Kim					
	Benny					

Use the clues and grid to complete the sentences below.

- Alexander dressed up as a \_\_\_\_\_.
