

# Photo Props!

Color these in and then ask a grown-up to help cut out and assemble them into fun photo props for your next family portrait, birthday party, or just for fun!

## TO USE:

Hold a hat near the top of your head. Then smile for the camera!

### You will need:

Popsicle sticks  
or straws.

Tape

After cutting, turn the prop over and tape your popsicle stick on the back of the hat near the bottom and towards one side.
