

3-D Tree

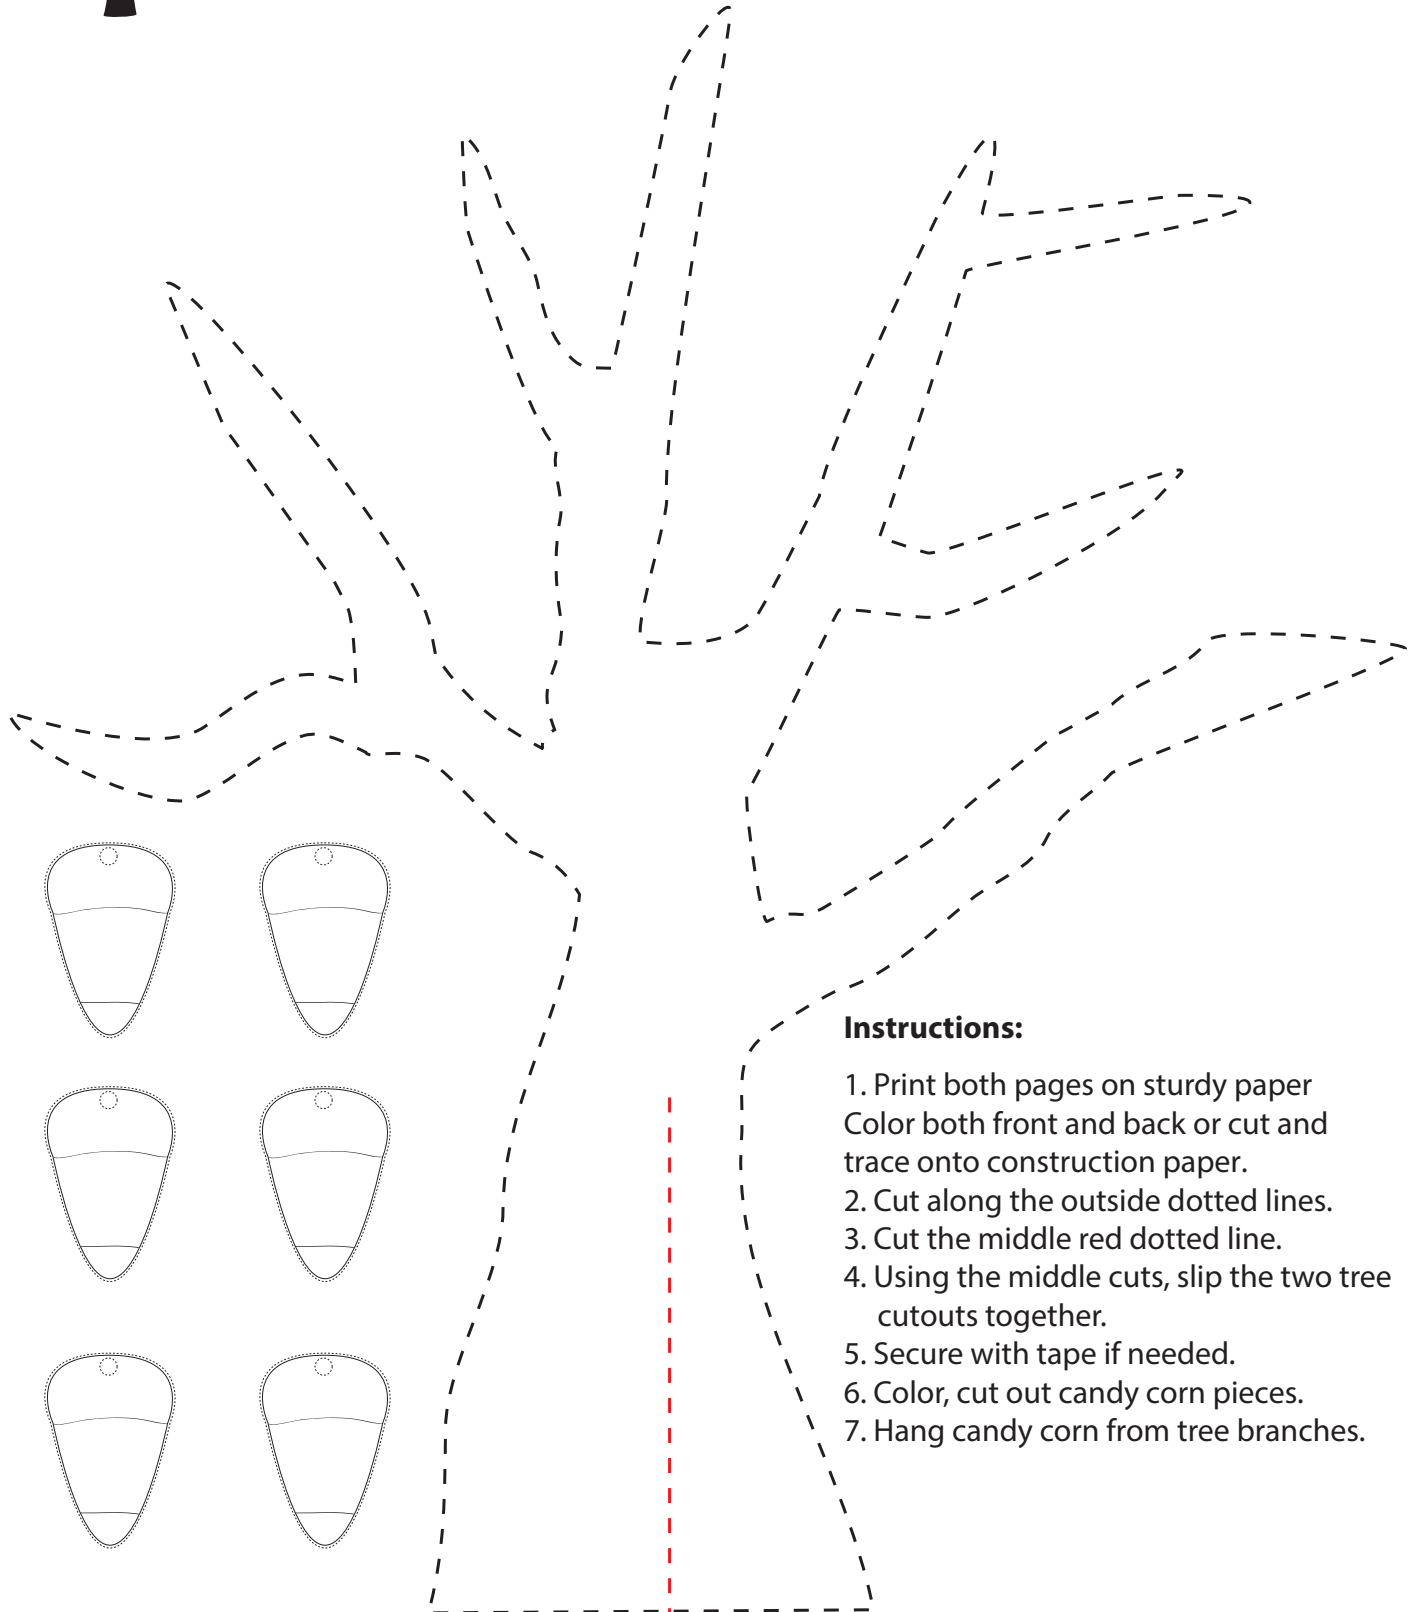

Instructions:

1. Print both pages on sturdy paper. Color both front and back, or cut and trace onto construction paper.
2. Cut along the outside dotted lines.
3. Cut the middle red dotted line.
4. Using the middle cuts, slip the two tree cutouts together.
5. Secure with tape if needed.
6. Color and cut out candy corn pieces.
7. Hang candy corn from tree branches.
