

HALLOWEEN WORD PROBLEMS #20

Solve the following word problems.

Anna tells 3 scary stories on Halloween. Her friend Darla tells 5 scary stories. How many scary stories do the girls tell in all?

There are 3 witches stirring a boiling pot of stew. Each witch adds 3 eyeballs to the stew. How many eyeballs in all are in the stew?

Emily invites 17 friends to her Halloween party. After 8:00 only 13 friends are still at the party. How many of Emily's friends have left the party?

Sean has 16 sour candies in his trick-or-treat bag. If his friend Fred has half as many sour candies as Sean, how many sour candies does Fred have?

George has carved 9 jack-o-lanterns this Halloween. His friend Raymond has carved 12. How many more jack-o-lanterns must George carve to equal Raymond?
