

HALLOWEEN WORD PROBLEMS #9

Solve the following word problems.

Brian counts 11 monsters hiding under his bed. His little brother Kenny counts 7 monsters under his own bed. How many monsters do the boys count in all?

Helen visits 15 houses while trick-or-treating on Halloween. Diane only visits 10 houses to trick-or-treat. How many more houses does Helen visit than Diane?

Teddy finishes trick-or-treating in an hour. His friend Stephen finishes in 50 minutes. Who takes less time to finish trick-or-treating?

Max hears 12 spooky voices while walking through the graveyard. Later that night, he hears 6 more voices. How many voices does Max hear in all?

Greg knows there are 2 weeks left until Halloween. If he waits 5 more days, how many days will be left until Halloween?
