Head to Head Fiction: Protagonists and Challenges

Name: _____   Date: _____

A protagonist, or lead character, is often presented with a problem in fiction tales.

A problem, or series of them, can be seen as part of an overall challenge.

For instance, Protagonist Challenge: A young wizard finds herself challenged by a more powerful sorcerer. Protagonist Response: she conjures a cloaking spell to become invisible and slips away!

Complete both graphic organizers below to analyze problems and solutions between texts.
