

Here Comes the Ten Monster!

The Ten Monster is hungry! He likes to eat parts of numbers, always taking 10 at a time. Solve the problems to show how much is left after the Ten Monster strikes!

$19 - 10 = \underline{\hspace{2cm}}$

$15 - 10 = \underline{\hspace{2cm}}$

$18 - 10 = \underline{\hspace{2cm}}$

$11 - 10 = \underline{\hspace{2cm}}$
