Holiday Shopping 2

Help buy presents for friends this holiday season! Answer the questions using the bookshelf filled with toys. Use drawings to help you solve the problems.

1. What is the total for the unicorn and the pair of skates?

2. You are trying to buy as many different toys as possible. You have \$20. What toys can you get?

How much money will you have left over?

3. Share your answers with a partner. Talk about if you used addition or subtraction for your answers. Tell how you know you have the right answer.
