# Holiday Shopping: Decimal Practice 1

Help buy presents for others this holiday season! Answer the questions using the bookshelf filled with toys. Use drawings to help you solve the problems.

1. How much will you spend if you buy 3 unicorns for your friends?
2. You have \$50 to buy gifts for children in your local homeless shelter. Do you have enough money to buy 10 blocks and 5 volleyballs? Explain your answer.
3. You paid for 3 unicorns and 3 teddy bears. You gave the cashier three \$10 bills and one \$20 bill. What will you get back in change?
4. Share your answers with a partner. Talk about if you used addition or subtraction for your answers. Tell how you know you have the right answers.
