

# HOMOPHONES #10

**Homophones** are words that sound the same but have different meanings.

Circle the homophone that makes sense in each sentence.

1. **Weed** / **We'd** be better off going to the library tomorrow.
2. Candice **guest** / **guessed** the right answer to the question.
3. The knight raised his **sword** / **soared** against the dragon.
4. Stewart **blue** / **blew** an enormous bubble.
5. Linda read the book **aloud** / **allowed** to the rest of the class.

Draw 2 pictures of the homophones **some** and **sum**.
