

# HOMOPHONES #4

**Homophones** are words that sound the same but have different meanings.

Circle the homophone that makes sense in each sentence.

1. Isabel spotted a **deer** / **dear** in the forest.
2. Carl could smell the **cent** / **scent** of bacon.
3. Kyla **made** / **maid** her bed every morning before school.
4. The family was **sew** / **so** happy to see grandma.
5. Sean knew the **weigh** / **way** to the grocery store.

Draw 2 pictures of the homophones **hair** and **hare**.

Answers: 1. deer 2. scent 3. made 4. so 5. way
