

HOMOPHONES #7

Homophones are words that sound the same but have different meanings.

Circle the homophone that makes sense in each sentence.

1. The **routes** / **roots** of the oak tree ran under the sidewalk.
2. The Halloween candy tasted **suite** / **sweet**.
3. Arnold always carried **two** / **too** pencils in his backpack.
4. The dog wagged his **tale** / **tail** when he was happy.
5. The warm **air** / **heir** felt great after swimming.

Draw 2 pictures of the homophones **mail** and **male**.

Answers: 1. roots 2. sweet 3. two 4. tail 5. air
