

HOMOPHONES #8

Homophones are words that sound the same but have different meanings.

Circle the homophone that makes sense in each sentence.

1. The teacher wrote a math problem on the **bored / board**.
2. Melanie was sick all weekend with the **flu / flew**.
3. The **herd / heard** of buffalo stampeded through the meadow.
4. The rain and **missed / mist** was heavy in the morning.
5. Gavin **red / read** a story to his little sister.

Draw 2 pictures of the homophones **stair** and **stare**.

Answers: 1. board 2. flu 3. herd 4. mist 5. read
