

Label the Diagram: The Human Digestive System

Use the word bank to label the parts of the digestive system on the diagram below.

* **Note:** There are two places on the diagram where you will label salivary glands.

- | | | | | |
|----------------|-----------------|-----------------|-----------------|-----------------|
| salivary gland | salivary glands | pancreas | stomach | large intestine |
| tongue | esophagus | large intestine | liver | appendix |
| teeth | gallbladder | appendix | small intestine | rectum |
