

Identify & Use Compound Words

A compound word is made up of two words that combine to make one new word.

Example: horse + back = *horseback*

Directions: Circle the compound word in each sentence.
Then, create your own sentence using the compound word.

1. After our lunch in the afternoon, we go to either P.E., music, library, or art class.

2. To hold my place in the book, the librarian gave me a bookmark.

3. Each night, I read a book in my bedroom before going to sleep.

4. Do you know anyone who will teach me how to play tennis?

5. After the storm, I saw a beautiful rainbow in the sky.

Challenge! Can you find two compound words in the sentences below?
Challenge yourself by using both compound words in your new sentence.

* If I could get anything for my birthday, it would be a new bike.
